

MPP Infusion Centers

A Multispecialty Physician Partner Company

COVID-19 Pandemic Preparedness 2020

Date: _____

Attention: Law Enforcement Officers and Public Officials

To whom it may concern:

_____ is a patient receiving physician-ordered biologic infusion treatments at an MPP Infusion Center® located in this area. This may require the patient to travel during curfew restrictions. Please excuse this individual from the curfew restrictions so s/he may receive the scheduled treatment.

If the patient does not receive the scheduled treatment, health-threatening symptoms may result in an unnecessary emergency room visit and/or hospitalization.

Your cooperation is greatly appreciated.

Sincerely,

Ken Idicula
Senior Director of Operations
