## WHAT IS INFUSION THERAPY

IV Infusion Therapy is the process of injecting medications directly into the body through a blood vessel, under the skin.

Infusion Therapy is a safe, convenient and cost effective way to treat many diseases and disorders including:

- ◆ Anemia
- ◆ Asthma
- ◆ Crohn's Disease
- ◆ Genetic Emphysema
- ◆ Gout
- ◆ Lupus
- ◆ Migraines
- ◆ Multiple Sclerosis
- ◆ Osteoporosis
- ◆ Other Autoimmune Conditions
- ◆ Psoriasis
- ◆ Rare Diseases
- ◆ Rheumatoid Arthritis
- ◆ Ulcerative Colitis

## EXPERIENCE THE DIFFERENCE

Every patient's experience at Vivo Infusion has been designed with a focus on compassionate care and proficiency. Everything we do is centered on ensuring the patient's infusion process is safe, convenient, and as comfortable as possible. Each visit is supervised by an infusion trained advanced practitioner.

## PATIENT CARE NAVIGATOR

Our Patient Care Navigator team guides our patients and referring providers through the referral process. Our team will notify the patient and referring office when the referral is received. We will also assist you through the process leading up to scheduling your first appointment.

**Contact our Patient Care Navigator Team to get started: 855.478.1528**

For the physician: please visit [vivoinfusion.com](http://vivoinfusion.com)  
Submit referrals via fax: **855.891.2191**  
or email: [referrals@vivoinfusion.com](mailto:referrals@vivoinfusion.com)

**THE VIVO DIFFERENCE:** DEDICATED PATIENT RESOURCE SPECIALIST
